# About Our Business

# The Case for Partnering

Effective Partnering can enable Services businesses to transact more profitably and weather competition as markets consolidate

## Why Partner with Lemon Interactive?

We are the partner of choice to many technology & services companies

We have a proven track record in delivering ROI.

We execute with UK quality standards but with offshore commercial benefits

We put quality above all that we do, we do not work by the clock, we work to deliver Your commitments

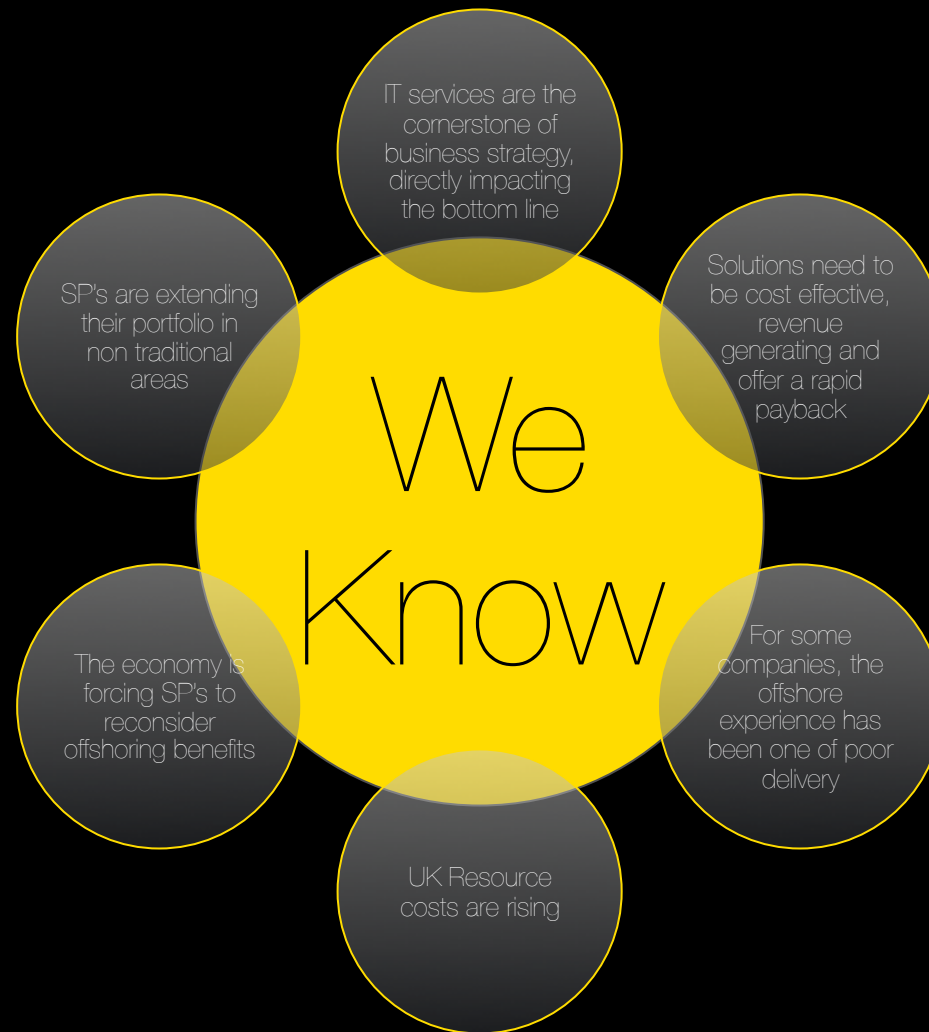

We deliver solutions from implementation through to benefit realisation

As part of the Lemon Group we have delivered over £1bn in revenue generation and benefits realisation programs

# We have used our capability to address key challenges for Service Providers

We understand Service Provider needs, we understand the Service Provider market and have the right solutions

# What is the "Symbiotic" Partner Program?

Strategic intent of the Partner relationship

# Why "Symbiotic" Makes Sense

Why is it good for Service Providers and Lemon Interactive?

Both organisations drive and deliver volume whilst playing their natural position

SME's & Corporate provide largest hunting ground but highly price sensitive.

Offshore capability improves competitiveness to address this market.

Customers demanding more for less

Services being commoditised; Margins being constrained; New entrants

# "Symbiotic" benefits for Service Providers

## Low risk

- Client partner intimacy honoured & maintained
- Built on platform of success
- Lessons learned & Leveraged from multiple successful engagements with Web Agencies

## Earn More From Each Transaction

- Higher margin business
- Access to greater share of customer wallet

## Easier & faster to do business

- Discounts & indicative costs negotiable
- Aligned methodologies

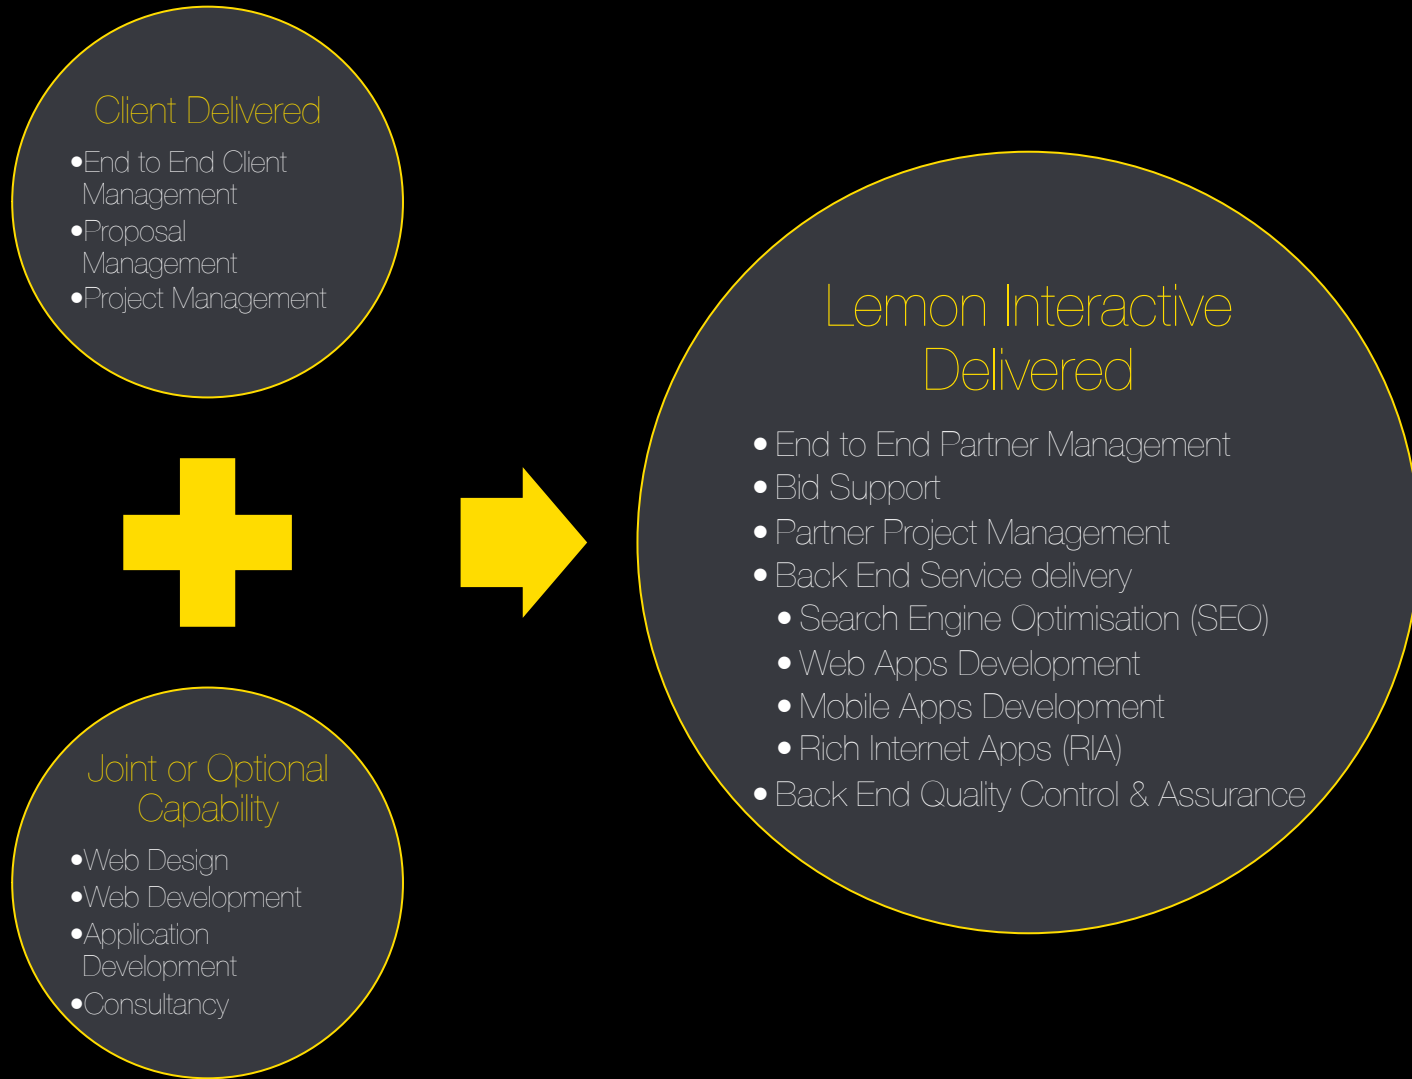

## Keep out competition

- Unique collaborative partnership & offering
- Easily turn on more services

# Symbiotic Partner Program

## Work share Model

# Client Case Study
